| - Applicant Needs to Provide their Own Meter Pit, Subject to Approval - | \$ 4,043.00 + Meter Pit Costs |
| - Applicant Needs to Provide their Own Meter Pit, Subject to Approval - | \$ 10,464.00 + Meter Pit Costs |
| - Applicant Needs to Provide their Own Meter Pit, Subject to Approval - | \$ 4,395.60 + Meter Pit Costs |

Note:

1. See the following page to determine if a meter pit is required.
2. For configurations that require a meter pit for 2" meters and smaller, the Town has pre-fabricated meter pits that applicants are required to purchase and use.
2. For configurations that require a meter pit for larger than 2" meters, applicants need to submit their own meter pits for water operators approval
